Catalog Description	Surface mounting box 1 gang White - Impressivo
Long Description	Impressivo flush mounting products are able to be surface mounted with surface mounting frames and surface mounting box. Using center plates with lid the socket outlets are water protected (IP44). The switches and push switches are also water protected (IP44) when using screw mounted rocker frames (2474 or 2475). In the cases of the other products than socket outlets and switches the water protection depends on the water protection of the center plate.
