| Movement of operating head | Multi-directional                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              |
| Type of operator           | Spring rod spring return metal (with nitrile boot and thermoplastic end)                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       |
| Type of approach           | Multi-directional approach                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     |

## Complementary

|                  |                    |
|------------------|--------------------|
| Switch actuation | By any moving part |
| Positive opening | Without            |

## Environment

|                                       |                      |
|---------------------------------------|----------------------|
| Ambient air temperature for operation | -25...70 °C          |
| Ambient air temperature for storage   | -40...70 °C          |
| Environmental characteristic          | Standard environment |

## Packing Units

|                              |         |
|------------------------------|---------|
| Unit Type of Package 1       | PCE     |
| Number of Units in Package 1 | 1       |
| Package 1 Height             | 1.6 cm  |
| Package 1 Width              | 1.6 cm  |
| Package 1 Length             | 12.6 cm |
| Package 1 Weight             | 19.0 g  |
| Unit Type of Package 2       | BB1     |
| Number of Units in Package 2 | 10      |
| Package 2 Height             | 2 cm    |
| Package 2 Width              | 19 cm   |
| Package 2 Length             | 23 cm   |
| Package 2 Weight             | 190 g   |
| Unit Type of Package 3       | S01     |
| Number of Units in Package 3 | 80      |
| Package 3 Height             | 15 cm   |
| Package 3 Width              | 15 cm   |
| Package 3 Length             | 40 cm   |
| Package 3 Weight             | 1.82 kg |

## Offer Sustainability
